To Participate in the AT&T Discount Plan Through Premier:

Step 1: Complete the CCPAPP Premier Discounts Participation Form

If your practice completed the *CCPAPP-Premier ProviderSelect:MD* Application prior to August 1, 2012 in order to participate in the McKesson agreement, you may skip to Step 2 (you do not need to complete the application again nor do you need to submit the *CCPAPP Premier Discounts Participation Form*).

If your practice has <u>not</u> already completed the *CCPAPP-Premier ProviderSelect:MD* application, it must be completed and returned along with the *CCPAPP Premier Discounts Participation Form*. Please fax your form and application to CCPA Purchasing Partners at **773.975.8742**.

Step 2: Receive your Premier entity code

Once you have submitted your paperwork to CCPAPP, we will forward it to Premier. It will take approximately 2 weeks for Premier to process your application and issue your practice an entity code. Your entity code will be emailed to your practice by CCPAPP.

Step 3: Request a Foundation Account Number (FAN) – See Screen Shot on Page 3

Once you have received your Premier entity code, you must request a FAN by going to **http://www.corp.att.com/marcomms/gpo/index.html?gpo=premier** and completing the online form. Please use the instructions below when completing the online form.

Helpful Instructions for completing the AT&T online form:

1. Member ID (line 2) is your practice's **entity code** (also known as your *ProviderSelect:MD identification number*)
2. Domain name (line 12) - this is the domain of your practice's website/email address. If your practice does not have its own domain name, you may use the domain of a general email address (i.e. gmail, yahoo). If you do not have an email address, please visit a local AT&T **corporate-owned** retail store (not authorized retailer) and a customer service representative should be able to assist you.
3. Affiliate GPO Name (line 13) will be **Premier/IPC/CCPAPP**
4. Affiliate GPO Contact (line 14) will be **Patricia Welsch** (CCPA Purchasing Partner's contact at IPC Group Purchasing)
5. Phone number (line 15) will be **630.276.5842** (Patricia Welsch's phone number)
6. AM (line 16) may be left **blank**
7. RM (line 17) may be left **blank**

Once you click "Next" at the bottom of the form, your information will be submitted. It will take approximately 14-21 business days to receive your FAN. Your FAN will be emailed to the account provided on your online form (line 11).

Step 4: Register for the AT&T Discount!

Once you receive your 8-digit FAN, you may register for your discount online or in-person by visiting a local AT&T **corporate-owned** retail store (not authorized retailer). See further instructions on the following page.

To register online: - <mark>See Screen Shots on Pages 4-8</mark>

Existing customers wishing to access the discount should follow the following steps:

1. Visit AT&T's employee website: www.att.com/wireless/premiergpo

2. Enter your 8-digit FAN and then click Login. Ensure the addition of leading zeros to equal 8-digits (i.e. 00XXXXXX)
3. Click on the first option, "Create a new AT&T account or register for discounts," enter zip code and then click Continue
4. Click on the "Discount Registration" tab near the top of the page
5. Click on "Online Validation"
6. Enter your work or personal email address and AT&T Wireless number and click continue
7. Enter the last 4 digits of your Social Security Number and billing zip code from your account and then click Continue
8. Check the box, "I am a qualified employee" and then click Continue
9. You will see confirmation on the screen plus you will receive a confirmation email that you have been successfully enrolled for the discount

To register in person -
You may activate your new service or set up the discount on your existing account at a local AT&T **corporate-owned** retail store. To find the store nearest you, please visit: www.wireless.att.com/find-a-store. You will need to provide your FAN to a customer service representative. You should bring a print-out of your FAN and a valid form of identification. Your practice's FAN can be used by any physician or employee of your organization. **Please note:** You may need to provide proof of employment - such as a recent paystub from your organization - in order for AT&T to verify that you are eligible to participate in the discount program.

For new customers -
If you do not currently use AT&T and would like to order service, you may visit a local AT&T **corporate-owned** retail store and speak with a customer service representative about setting up a plan and applying the Premier discount. You will need to provide your FAN to the customer service representative. You should bring a print-out of your FAN and a valid form of identification. You may also shop online at AT&T's employee website:
https://wireless.att.com/business/main_login/account_groups.jsp. You will need to enter your 8-digit FAN to log on to the site. The 25% discount on qualified voice and data plans and 20% discount on select equipment will be applied prior to checkout (you will see the savings incorporated into your total amount).
