

# **To Participate in the AT&T Discount Plan Through Premier:**

# Step 1: Complete the CCPAPP Premier Discounts Participation Form

If your practice completed the CCPAPP-Premier ProviderSelect:MD Application prior to August 1, 2012 in order to participate in the McKesson agreement, you may skip to Step 2 (you do not need to complete the application again nor do you need to submit the CCPAPP Premier Discounts Participation Form).

If your practice has <u>not</u> already completed the *CCPAPP-Premier ProviderSelect:MD* application, it must be completed and returned along with the *CCPAPP Premier Discounts Participation Form*. Please fax your form and application to CCPA Purchasing Partners at **312.227.9527**.

# Step 2: Receive your Premier entity code

Once you have submitted your paperwork to CCPAPP, we will forward it to Premier. It will take approximately 2 weeks for Premier to process your application and issue your practice an entity code. Your entity code will be emailed to your practice by CCPAPP.

# Step 3: Request a Foundation Account Number (FAN) – See Screen Shot on Page 3

Once you have received your Premier entity code, you must request a FAN by going to <u>http://www.corp.att.com/marcomms/gpo/index.html?gpo=premier</u> and completing the online form. Please use the instructions below when completing the online form.
