

To Participate in the Verizon Wireless Discount Plan Through Premier:

Step 1: Complete the CCPAPP Premier Discounts Participation Form

If your practice completed the *CCPAPP-Premier ProviderSelect:MD* Application prior to August 1, 2012 in order to participate in the McKesson agreement, you may skip to Step 2 (you do not need to complete the application again nor do you need to submit the *CCPAPP Premier Discounts Participation Form*).

If your practice has not already completed the *CCPAPP-Premier ProviderSelect:MD* application, it must be completed and returned along with the *CCPAPP Premier Discounts Participation Form*. Please fax your form and application to CCPA Purchasing Partners at 312.227.9527.

Step 2: Receive your Premier entity code

Once you have submitted your paperwork to CCPAPP, we will forward it to Premier. It will take approximately 2 weeks for Premier to process your application and issue your practice an entity code (also known as your *ProviderSelect:MD identification number*). Your entity code will be emailed to your practice by CCPAPP.

Step 3: Register your practice on the Premier website - See Screen Shots on Pages 3-6

Once you have received your practice's entity code, please proceed with setting up an account for your practice on the Premier website:

1. Go to: www.Premierinc.com
2. Click on the "Register" link under the login section of the Premier homepage
3. Read and agree to the Terms of Use
4. In section 1, enter your Personal Information (please note that this is on behalf of your entire practice – we advise that you register under the name of the owner of the practice or the primary physician). Your user id and password should be information that can be shared within your entire practice group
5. In section 2, set up a password reminder
6. In section 3, check the box for Supply Chain Advisor in order to apply for access
7. Skip section 4, you do not need to enter a Registration code
8. Skip section 5, you do not need to check the box for participating in the bid proposal

Once you submit your information, it will take approximately 5 business days to receive your user ID and password. Your user ID and password will be emailed to the account provided on your online form.

Step 4: Complete the Verizon Online form on the Premier site - See Screen Shots on Pages 7-13

1. Return to: www.Premierinc.com with your practice's user id and password
2. Select "Members" from the dropdown menu on the homepage where it says "Login to:" and then click "Login"
3. Enter your user ID and password and log into the site
4. From the landing page, click on where it says, "Supply Chain Advisor" in the left-hand column
5. Scroll down and click on "Verizon Wireless" under Supplier
6. Click Continue at the bottom of the Verizon Wireless Welcome Page

7. Complete the Verizon Wireless online form and click “Confirm Information.” Please use the instructions on the following page when completing the online form.

Helpful Instructions for completing the Verizon Wireless online form:

1. You will need to enter your entity code and 5 digit zip code to validate that your entity codes matches your practice address
2. Member Name is your practice’s legal name
3. You can skip the Dun & Bradstreet line (line 7)
4. The First Name, Last Name, and Title that you enter is on behalf of your entire practice – we advise that you register under the name of the owner of the practice or the primary physician.

Once you confirm and validate your information, you will be asked to review and accept the terms of the Verizon Wireless Agreement. Be sure to download and print a copy for your records.

Once you accept the agreement, it will take approximately 5 days for Verizon Wireless to verify your eligibility, execute the agreement, and create/update your account.

Step 5: Register for the Verizon Discount!

Within 5 business days, you should receive an email from Verizon Wireless confirming that they have verified and approved your information. This email will outline the steps for registering eligible lines of services for the discount as well as instructions on how to purchase qualified services with the discount (instructions are also listed below for your reference). You will receive an additional email from Verizon Wireless with a copy of your agreement, your practice’s reference number, and your corporate/employee codes. Please keep this information on hand as you may need to reference them when registering for the discount. You will also be contacted by a Verizon customer service representative within a few days. This individual will work with you to apply the discounts to your current account or can assist with setting up new lines of service with the discount.

Please note that Verizon requires a minimum of 5 active lines on an account to receive the discount. If you do not meet this minimum qualification, you may proceed to sign up for the discount; however, please be aware that Verizon may choose to cancel your discount at any time.

Instructions for Registering for the Verizon Wireless Discounts:

➔ By Phone:

Call 888.386.4339 to purchase or register your existing personal line of service with new discount. Please identify yourself as a Premier Purchasing Partners Member employee to ensure you receive the appropriate discount.

➔ Online:

To activate new lines of service in a personal name, or register existing personal lines of service in the program, log on to www.verizonwireless.com/getdiscounts and enter your practice email address (organizations without a work email can complete an employment verification form and submit it online). You will receive an email response with a link to shop for new lines of service and equipment or to register existing lines of personal service.

➔ In Person:

You may visit your local Verizon Wireless retail store and provide your information to a sales associate in order to apply the eligible discount to your account. Proof of active employment by your business entity will be required in order to take advantage of the program, as well as a copy of photo identification. Examples of proof of active employment include a copy of employee badge or a copy of pay stub. Other than the employee name and employer name, personal information on pay stub such as social security number and salary information should be blacked out. Please also bring a copy of the Verizon Wireless agreement with you and the reference number and codes provided.

Questions? Please contact Katrina Ilagan at [312.227.7442](tel:312.227.7442)/kilagan@ccpapp.org

\$33 Million Settlement in New Mexico Spine Cases

Mark Read

About 80 malpractice claims against two physicians and Gerald Champion Regional Medical Center in Alamogordo have been settled for more than \$33 million. The agreement will permit the 65-year-old nonprofit hospital to emerge from bankruptcy protection it sought a year ago, citing the "onslaught" of lawsuits alleging fraud, negligence and battery. But the case continues against two of the insurers for the firm that manages the hospital, where patients with back problems were injected with Plexiglas-like bone cement in an unorthodox procedure that left them with severe pain and injuries.

Welcome!

The Verizon Wireless Online Agreement Site for Members of Premier is an easy way for eligible Members of Premier Purchasing Partners (Healthcare) to review and accept the terms and conditions of the Verizon Wireless Agreement. This site should be accessed only by persons with authority to enter into contractual agreements on behalf of their Premier Member entity. Please be prepared with Federal Tax ID and Entity Code. Entry of Federal Tax ID and your location's Entity Code will be required to accept the Verizon Wireless Member Agreement for Premier Members ("Member Agreement"). If you do not know your Entity Code, contact Premier Solution Center at 1.877.777.1552. Your Entity Code is equivalent to your Premier Membership Code.

PREMIER

CONTRACTED SUPPLIER

Please note that if you sign up to this agreement, it will supersede your organization's existing corporate level agreement, if there is one, and all lines under the prior agreement will be migrated to the new agreement after execution

Verizon Wireless and Premier Purchasing Partners are pleased to offer eligible Members of Premier Purchasing Partners great savings on calling plans that best fit your business and personal needs.

Reminder: As an eligible Premier Purchasing Partners Member (Healthcare), your benefits include:

- *22% monthly discount off of price plan access for calling plans \$34.99 or higher for both Corporate and Employee Subscribers
- 35% discount off of corporate accessory purchases
- 25% discount off of employee accessory purchases
- Corporate volume discounts on wireless phones and advanced data devices
- No cost on-line procurement and billing solution

*Offer is subject to the Terms and Conditions of the Corporate Member Agreement between Premier Purchasing Partners (Healthcare) and Cellco Partnership, d/b/a Verizon Wireless. Discounts are dependent upon the number of lines in Premier Purchasing Partners (Healthcare)'s overall program, and are subject to change.

In order to receive benefits for your business and employees, a Member Agreement must first be executed between yourself and Verizon Wireless stating your desire to participate in the program and agreement to terms and conditions outlined in the agreement between Premier Purchasing Partners and Verizon Wireless. This site is designed to provide you an easy way to participate.

Note: The act of signing the Member Agreement alone will not automatically activate new lines of service or transfer lines to Verizon Wireless. Once the agreement is signed stating your desire to participate, and Verizon Wireless has verified eligibility and accepted the agreement, you will receive instructions on how to bring lines of service in to the program. For coverage, equipment and service pricing or questions regarding this site, please contact your sales team at:

PremierSales@VerizonWireless.com
