Are You Getting the Coding and Billing Support You Need?

With so many different types of flu vaccines and presentations currently available, and their respective differences in coverage amounts, it can be challenging to ensure the correct coding and billing of the product, administration, and consultation provided to patients.

CSL Seqirus is excited to share the following reimbursement tools for the 2026-2027 influenza season to help support your practice:

- [Coding & Billing Product Reference Guide](#)
- [Coding & Billing Season Readiness Checklist](#)
- [FLUAD® \(Influenza Vaccine, Adjuvanted\) Coding & Billing Guide](#)
- [FLUCELVAX® \(Influenza Vaccine\) Coding & Billing Guide](#)

These resources and others are also available for access and download at flu360.com.

Upcoming Webinars:

CSL Seqirus is also offering a webinar on coding and billing for CSL Seqirus flu vaccines to help keep your practice up to date.

For your convenience, there are two options to choose from:

- [Thursday, September 3, 2026 at 11 AM CDT/12 PM EDT](#)
- [Wednesday, September 9, 2026 at 2 PM CDT/3 PM EDT](#)

Registration is open now, so sign up today to learn more about coding and billing for CSL Seqirus influenza vaccines.

Questions:

For questions, CCPAPP members are encouraged to contact **CSL Seqirus Customer Service** at **855.358.8966** and choose from one of the following options:

- **Option 1: Medical information question**
- **Option 2: Reimbursement related inquiries**

**2026 Annual Meeting hosted by Children's Community
Physicians Association and CCPA Purchasing Partners, LLC**

Thank You...

CCPA and CCPA Purchasing Partners would like to thank everyone who attended our 2026 Annual Meeting: Time for a Check-Up event. If your practice was unable

to attend this year's meeting, you can view the recording by clicking [here](#).

You will need your practice's username and password to access the recording. If you are in need of your practice's username and password, please email info@ccpapp.org.

This year we are welcomed our featured speaker, Matthew Sakumoto, MD, virtualist primary care physician and regional chief medical informatics officer who is passionate about exploring and implementing effective and evidence-based artificial intelligence into clinical workflows.

Other featured speakers included Charles Cole, ESQ, attorney and partner in the Chicago office of Lewis Brisbois; Shawntea Gordon, MBA, FACMPE, chief executive officer of Atlas & Perpetua Healthcare; and Kem Tolliver, FACMPE, CPC, CMOM, president and chief executive officer of Medical Revenue Cycle Specialists, LLC.

IMPORTANT REMINDER: Where to Order Vaccines

CCPAPP would like to remind members where to place orders for vaccine products at CCPAPP's discounted pricing. Please review the information below and contact CCPAPP at info@ccpapp.org with questions.

Sanofi:

Orders can be made directly with Sanofi by calling **1.800.VACCINE (1.800.822.2463)** or online at www.vaccineshoppe.com or www.vaxserve.com. Orders placed through VaccineShoppe qualify for an additional 1% online discount.

Merck:

Orders can be made directly with Merck by calling **1.877.829.6372** or online at www.merckvaccines.com or through a Merck Prime Distributor (i.e. McKesson, VaxServe, etc.). Please contact Merck for the full list of Merck Prime Distributors or see the full list at www.merckvaccines.com. Orders placed through VaccineShoppe qualify for an additional 1% online discount.

Pfizer:

Orders can be placed directly with Pfizer by calling **1.800.666.7248** or online at www.primevaccines.pfizer.com. Orders can also be placed through one of Pfizer's authorized wholesalers or distributors (i.e. McKesson, VaxServe, etc.). **Please note:** While CCPAPP pricing is active on VaxServe, members may pay a markup fee instituted by VaxServe. Therefore, it is recommended that members order directly through Pfizer to avoid the additional markup fee.

Seqirus:

Orders can be made directly with Seqirus online at www.flu360.com or through McKesson. For support while placing an order, please call your vaccine solutions specialist directly, or contact Seqirus' flu360 Customer Service at customerservice.us@seqirus.com.

AstraZeneca:

Orders for AstraZeneca's FluMist vaccine can be made directly through McKesson.

Keep Your Practice Account Information Updated

Please be reminded to notify CCPAPP and the appropriate vendor of any updated information pertaining to your practice. This includes an address change, contact information (such as a

new phone number/email), physician update, retirement/closure, etc.

More importantly, should your practice address change, please ensure you also update the address of your physician's Drug Enforcement Administration (DEA) registration. CCPAPP members can do this on the [Diversion Control Division website](#).

Keeping your practice information up-to-date with CCPAPP ensures that your practice continues to receive discounts through our vendor partner contracts and that we have the correct information to contact your practice.

Your practice information can be updated in our CCPAPP member area on our [website](#). You will need your practice's username and password to access the CCPAPP member area. If you need your practice's login information, please email us at info@ccpapp.org.

You can also email **CCPAPP's Senior Administrative Assistant, Tara Ogletree**, at togletree@ccpapp.org to update your account information.
