CCPA Purchasing Partners, LLC

2020 Partners Summary Guide

Vendor Partner Enrollment and Participation:

To enroll with a non-vaccine vendor, you must contact the vendor directly through the information listed on this sheet. Please be sure to mention that you are a member of CCPA Purchasing Partners. Once the vendor has confirmed that you are a member, they will link you to CCPAPP's contracted pricing. Please note that additional paperwork may be needed in order to set up an account with that vendor and/or link your established vendor account to CCPAPP's pricing. You are welcome to opt in or out of a vendor contract at any time by contacting the vendor directly. Some vendors may not service all states. Please contact the vendor directly to verify coverage in your area.

Vaccine Partner Enrollment:

To enroll in CCPAPP's contract with Merck, Sanofi Pasteur, and/or Pfizer, you must complete and return CCPAPP's **Vaccine Contracting & Compliance Form** indicating that you agree to CCPAPP's compliance requirements for the contracts in which you have selected to participate.

To participate with Merck, Sanofi Pasteur, and/or Pfizer, you must also establish an ordering account by completing all necessary paperwork required by the vaccine manufacturer. CCPAPP is happy to assist you in this process; please contact a staff member for assistance as needed. Once your practice has an established account, please notify CCPAPP so that we may request that the vaccine company to add your practice to our contract. This may take up to 10 business days for Merck, 5 business days for Sanofi Pasteur and 15 days for Pfizer.

Vaccine Partner Participation:

You are welcome to opt in or out of any vaccine contract at any time by contacting CCPAPP and completing a new **Vaccine Contracting & Compliance Form**. In order to receive CCPAPP's discounted rates with Sanofi Pasteur or Pfizer, you must order directly from the vaccine manufacturer using the phone numbers/websites listed on page one. Orders placed through distributors or other companies will not receive CCPAPP's contracted pricing. In order to receive CCPAPP's discounted rates with Merck, orders may be placed directly with Merck or through a Merck Prime Distributor (i.e. McKesson). Please contact Merck for a full listing of Merck Prime Distributors.
