

## McKesson Patient Care Solutions

---

# CCPA Purchasing Partners is now working with McKesson Patient Care Solutions Inc.

---

Support your patients across the continuum of care by ordering their medically necessary supplies from McKesson Patient Care Solutions Inc. (MPCS). You can have peace of mind knowing patients will receive the supplies they need at home. MPCS, a national supplier, ships direct to patients and bills their insurance on their behalf.

With fast, efficient and exceptional service from MPCS, patients and healthcare providers know that they truly have a supplier that focuses on their needs.

### **MPCS offers products from leading manufacturers in these categories:**

- Breast Pumps
- Diabetic Care<sup>1</sup>
- Urological
- Wound Care
- Compression Stockings
- Ostomy

### **Exceptional Service**

- MPCS has established a dedicated team for CCPA members which is available to take orders and answer questions about insurance coverage guidelines and products
- MPCS insurance specialists help verify which products are reimbursable and quantities that meet the patient's insurance coverage guidelines
- MPCS provides CCPA members and their patients with a dedicated phone and fax for ease of ordering
- The MPCS product offering allows one call for multiple product lines
- Orders ship within 1-2 business days; There is no charge for standard shipping<sup>2</sup>

### **More Insurance Plans Accepted**

- MPCS is contracted with hundreds of managed care payers and is a participating provider with Medicare and many Medicaid plans
- Your MPCS account manager is able to provide an insurance payer list upon request

MPCS is part of McKesson Medical-Surgical Inc. McKesson Medical-Surgical helps healthcare providers improve business health and deliver better care to patients.
