Members are welcome to opt in or out of a vendor contract at any time by contacting the vendor directly. Some vendors may not service all states. Please contact the vendor directly to verify coverage in your area.

Members may enroll in a vaccine contract at any time by contacting CCPAPP and completing the required vaccine forms. CCPAPP must request your contract participation directly with the vaccine manufacturer. Once you are linked to our agreement(s), orders for MedImmune must be made through an authorized distributor. Orders for Sanofi Pasteur and Pfizer must be made directly with the manufacturer. Orders placed through distributors or other companies for Sanofi Pasteur and/or Pfizer products will not receive CCPAPP's contracted pricing. Orders for Merck may be placed directly with Merck or through a Merck Prime Distributor including McKesson.
